Walter Elias Dysney

Walter Elias Dysney-american animator, film director, actor, screenwriter and producer, founder of the Walt Disney Productions company, which became the multimedia empire of The Walt Disney Company. He was born on the fifth of December nineteen hundred.

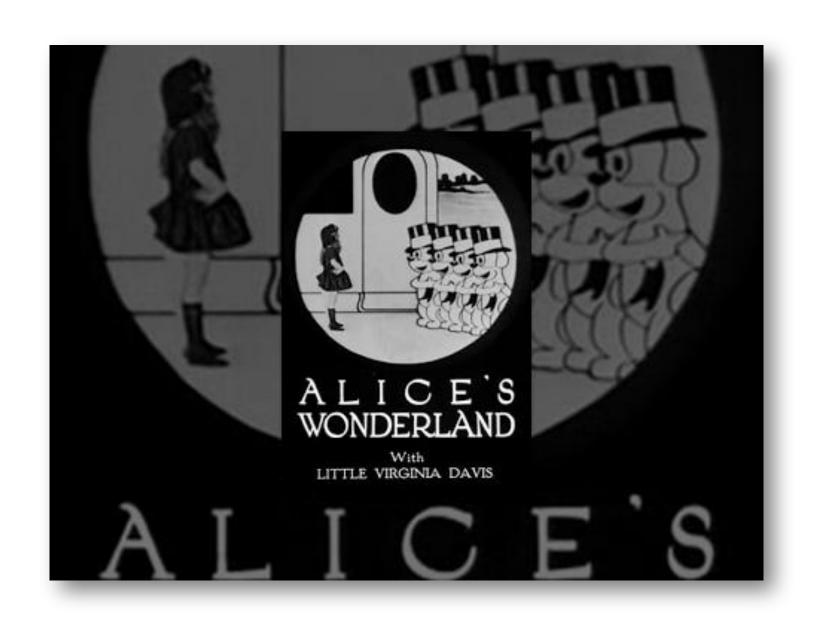

How to start a career Walt Disney.

Walt began working at age eight. He did an easy job, but a job: the boy carried advertising leaflets and letters.

In 1923, the company appeared Walt Disney

Questions:

- I. At what age did Walt Disney start working?
- 2. Why he wasn't accepted into the army?
- 3. What movie was sold for \$500?

Thank you for your attention!
