**There are many superstitions in Britain. But one of the most widely-held is that it is unlucky to open an umbrella in the house.**

***It will either bring misfortune to the person that opened it or to the household. The person who opens an umbrella in fine weather is very unpopular.***

*Очень не повезет, если ходить под лестницей. If you must pass under a ladder you can avoid bad luck by crossing your finger and keeping them crossed until you have seen a black cat.*

*The number 13 is said to be unlucky for some. And when the 13th day of the month falls on a Friday, many of the people prefer to stay at home.*

*The worst misfortune that can befall you is breaking a mirror. That will bring you seven years of bad luck. This superstition is supposed to have originated in ancient times, because mirrors were considered to be tools of the gods*

*And at last there is a superstition of touching wood for luck. This measure is most often taken if you have said or done something wrong or stupid.*
