Australia: Answers

- It is the smallest continent, but the 6th biggest country in the world. It is between two oceans.
- It is different from place to place. There are deserts, fields, forests and nice green cities by the sea. You must go there!
- The winter in Australia is from June to August and the summer is from December to February. So Santa Claus usually comes with Christmas presents in summer!
- Summers are sunnier and hotter than in Russia. Winters are warm too, so it never gets as cold and frosty as in Russia.
- You can see the British flag and white stars on it.

Answer the questions:

- How big is Australia?
- What is its flag like?
- What is the weather like in Australia?
- What are the seasons there?
- What is the nature like there?
