

Hi! I'm Dan. Do you want to see my room?

I need to tidy my room. Can you help me?

Where are my books?

Where shall I put them?

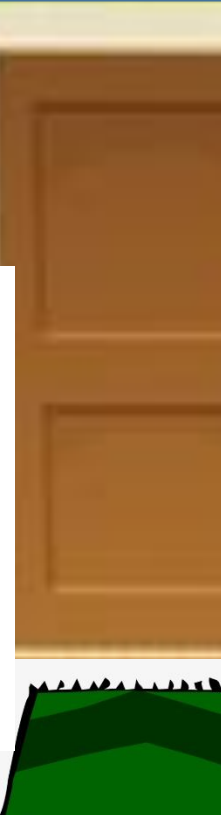

Right! On the shelf!

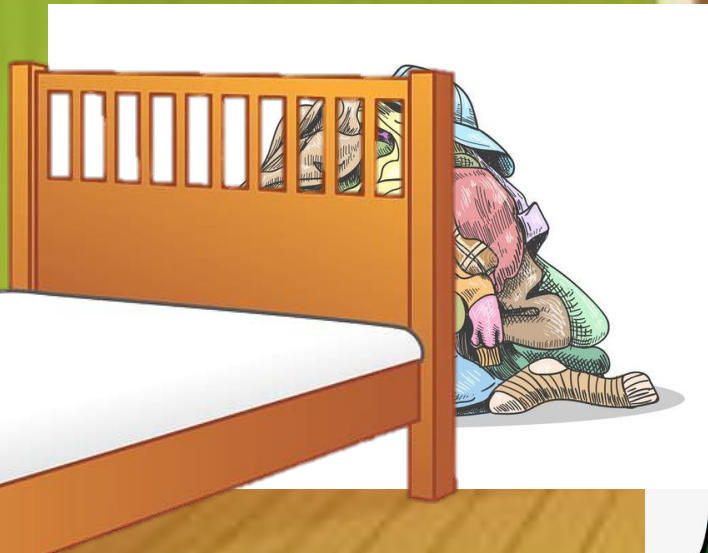

Right! On the shelf!

Let's make my bed! Where is my blanket?

In the cupboard!

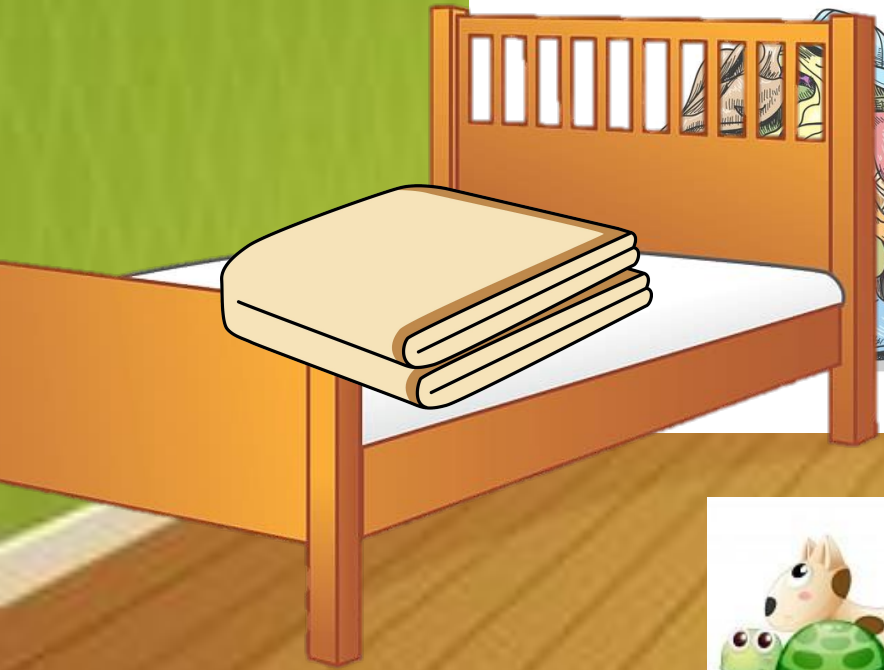

In the cupboard!

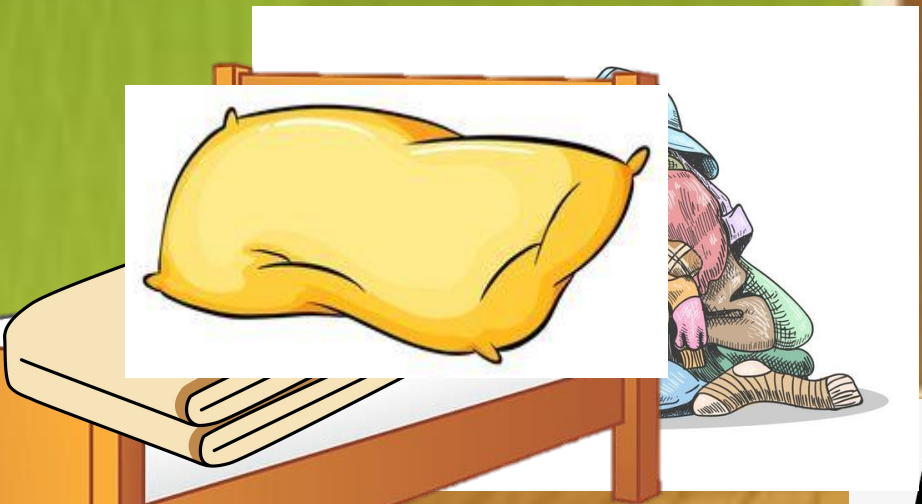

But where's my pillow?

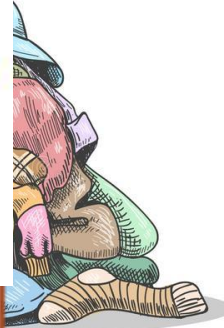

Here it is!

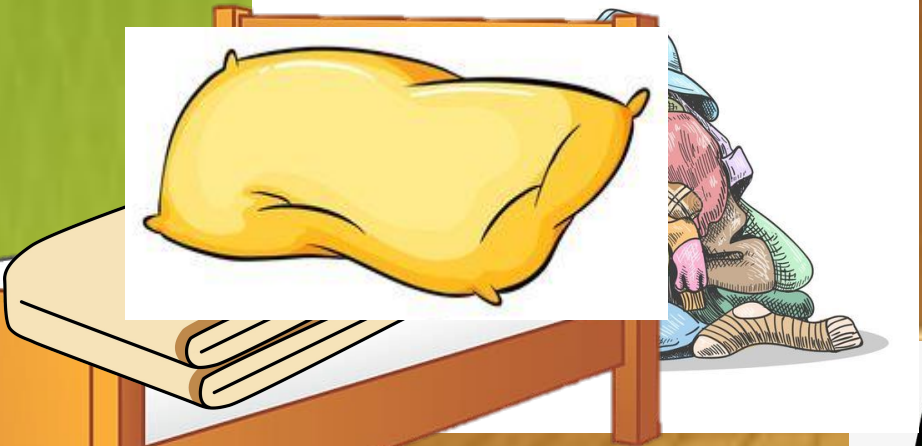

Here it is!

Look the cupboard is empty! Where are my clothes?

I know! Behind the bed!

I know! Behind the bed!

The toys are on the rug. Let's put them into the toy box.

Thank you for the help! Now my room is tidy.
