

Good morning, children. I'm glad to
see you. Sit down, please 😊

Today we have a very challenging (means difficult but perspective)
task

Open your books at p.54 and look at the text "How we kept Mother's day". It is quite big, I know.

- The 1st task will be to read this text for yourself trying to understand the idea.
- Then try to find the answers to the questions in ex.8. Use the text. It will help you with the homework.
- So your homework will be to make a written retelling of the text. The answers to ex.8 will help you.
- Don't forget to send me your retelling 😊
- Good luck!
