If you have any question or problem, please contact DDMS administrator of your organization.

DDMS does not ask users to confirm account by hyper link.

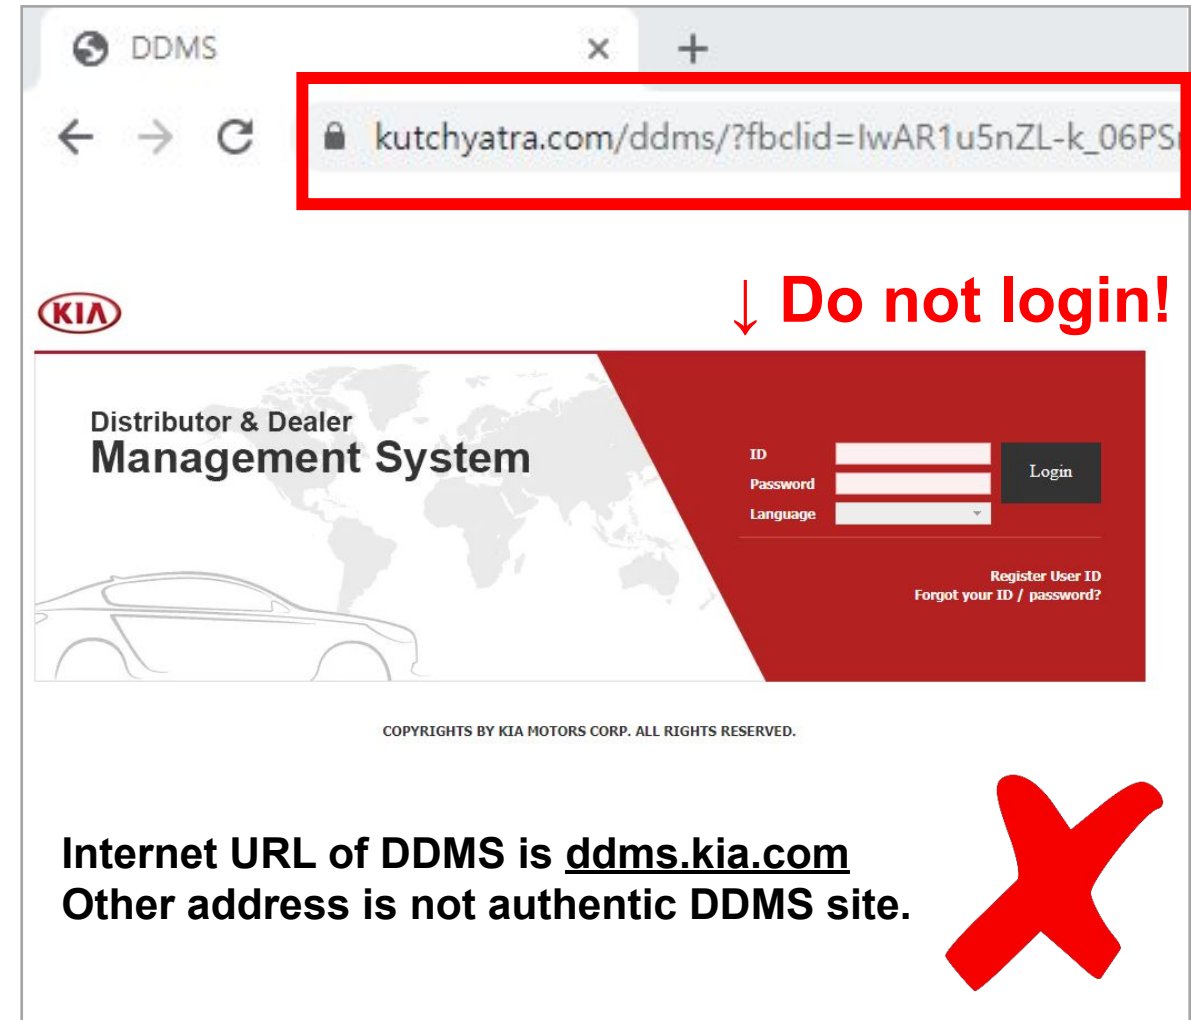

Please check the url of DDMS site before you login to DDMS

Authentic DDMS website

The screenshot shows a web browser window with the address bar containing the URL ddms.kia.com/nxui/ddms/index.html, which is highlighted with a red box. The page features the KIA logo, the title "Distributor & Dealer Management System", and a login form with fields for ID, Password, and Language (set to English), and a "Login" button. Below the form are links for "Register User ID" and "Forgot your ID / password?". The footer contains the text "COPYRIGHTS BY KIA MOTORS CORP. ALL RIGHTS RESERVED." A large green checkmark is positioned at the bottom right of the page.

Phishing DDMS website

The screenshot shows a web browser window with the address bar containing the URL kutchyatra.com/ddms/?fbclid=IwAR1u5nZL-k_06PS, which is highlighted with a red box. The page layout is identical to the authentic site, but it includes a red arrow pointing down to the text "Do not login!". A large red 'X' is placed at the bottom right of the page. Below the page content, the text reads: "Internet URL of DDMS is ddms.kia.com
Other address is not authentic DDMS site."
