We are flying in the air,  
and across the sea  
We're going to a really nice place  
to have a cup of tea  
When we see their flag in the air  
then we know we're near  
Oh boy, I can't wait to get there  
The people are so very nice  
and full of cheer  
Oh boy, I can't wait to meet them  
We will have, so much fun  
when we are in London  
Double deckers and The Queen  
When we're in London  
Taxi cabs and Ringo Starr  
When we're in London
