

*Хоть бескрылый, а летает,
Безголосый, а свистит,
Груши с веток обивает,
Сосны с корнем вырывает,

Только что он был везде –
Миг – и нет его нигде.*

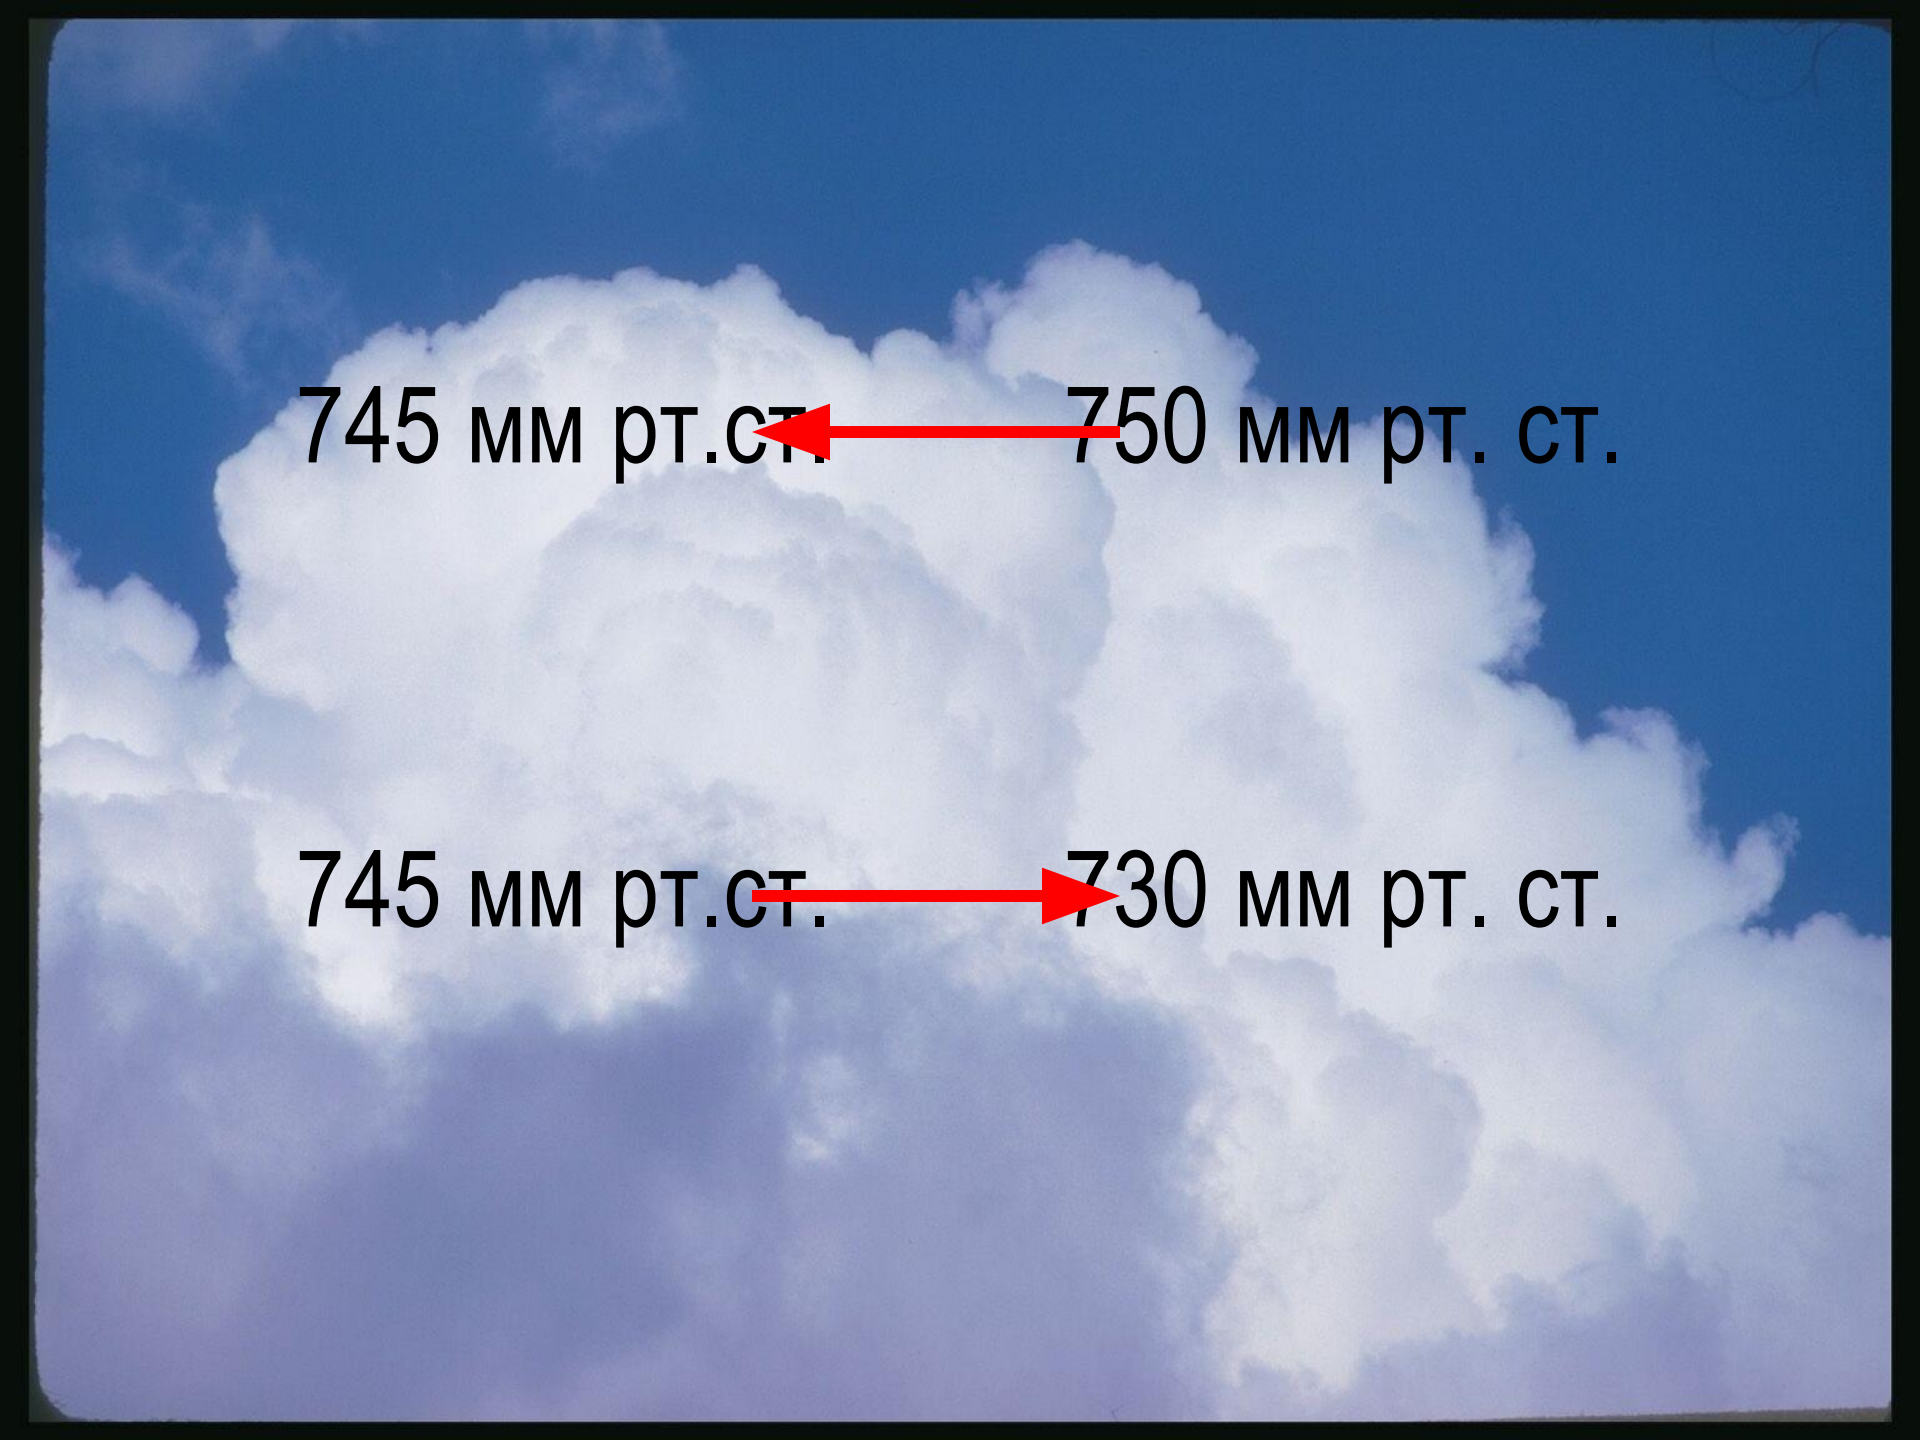

The image features the word "Венер" (Vener) written in a highly decorative, cursive font. Each letter is filled with a different color from a rainbow spectrum: 'В' is red, 'е' is orange, 'н' is yellow, 'е' is green, and 'р' is blue. The text is centered horizontally and set against a background of a bright blue sky filled with large, fluffy white clouds. A faint, semi-transparent shadow of the word is visible directly beneath the main text, creating a sense of depth. The overall composition is bright and cheerful.

A black silhouette of a spider is centered on a white spider web. The web is set against a background of a blue sky with white clouds. The spider's body is a large, dark oval, and the word "Ветер" is written in bright yellow, bold Cyrillic letters across its center. The spider has eight thick, black legs extending outwards from its body. The web consists of a central point with several radial lines and a series of concentric, scalloped rings.

**Ветер по морю гуляет
И кораблик подгоняет.
Он бежит себе в волнах
На раздутых парусах.**

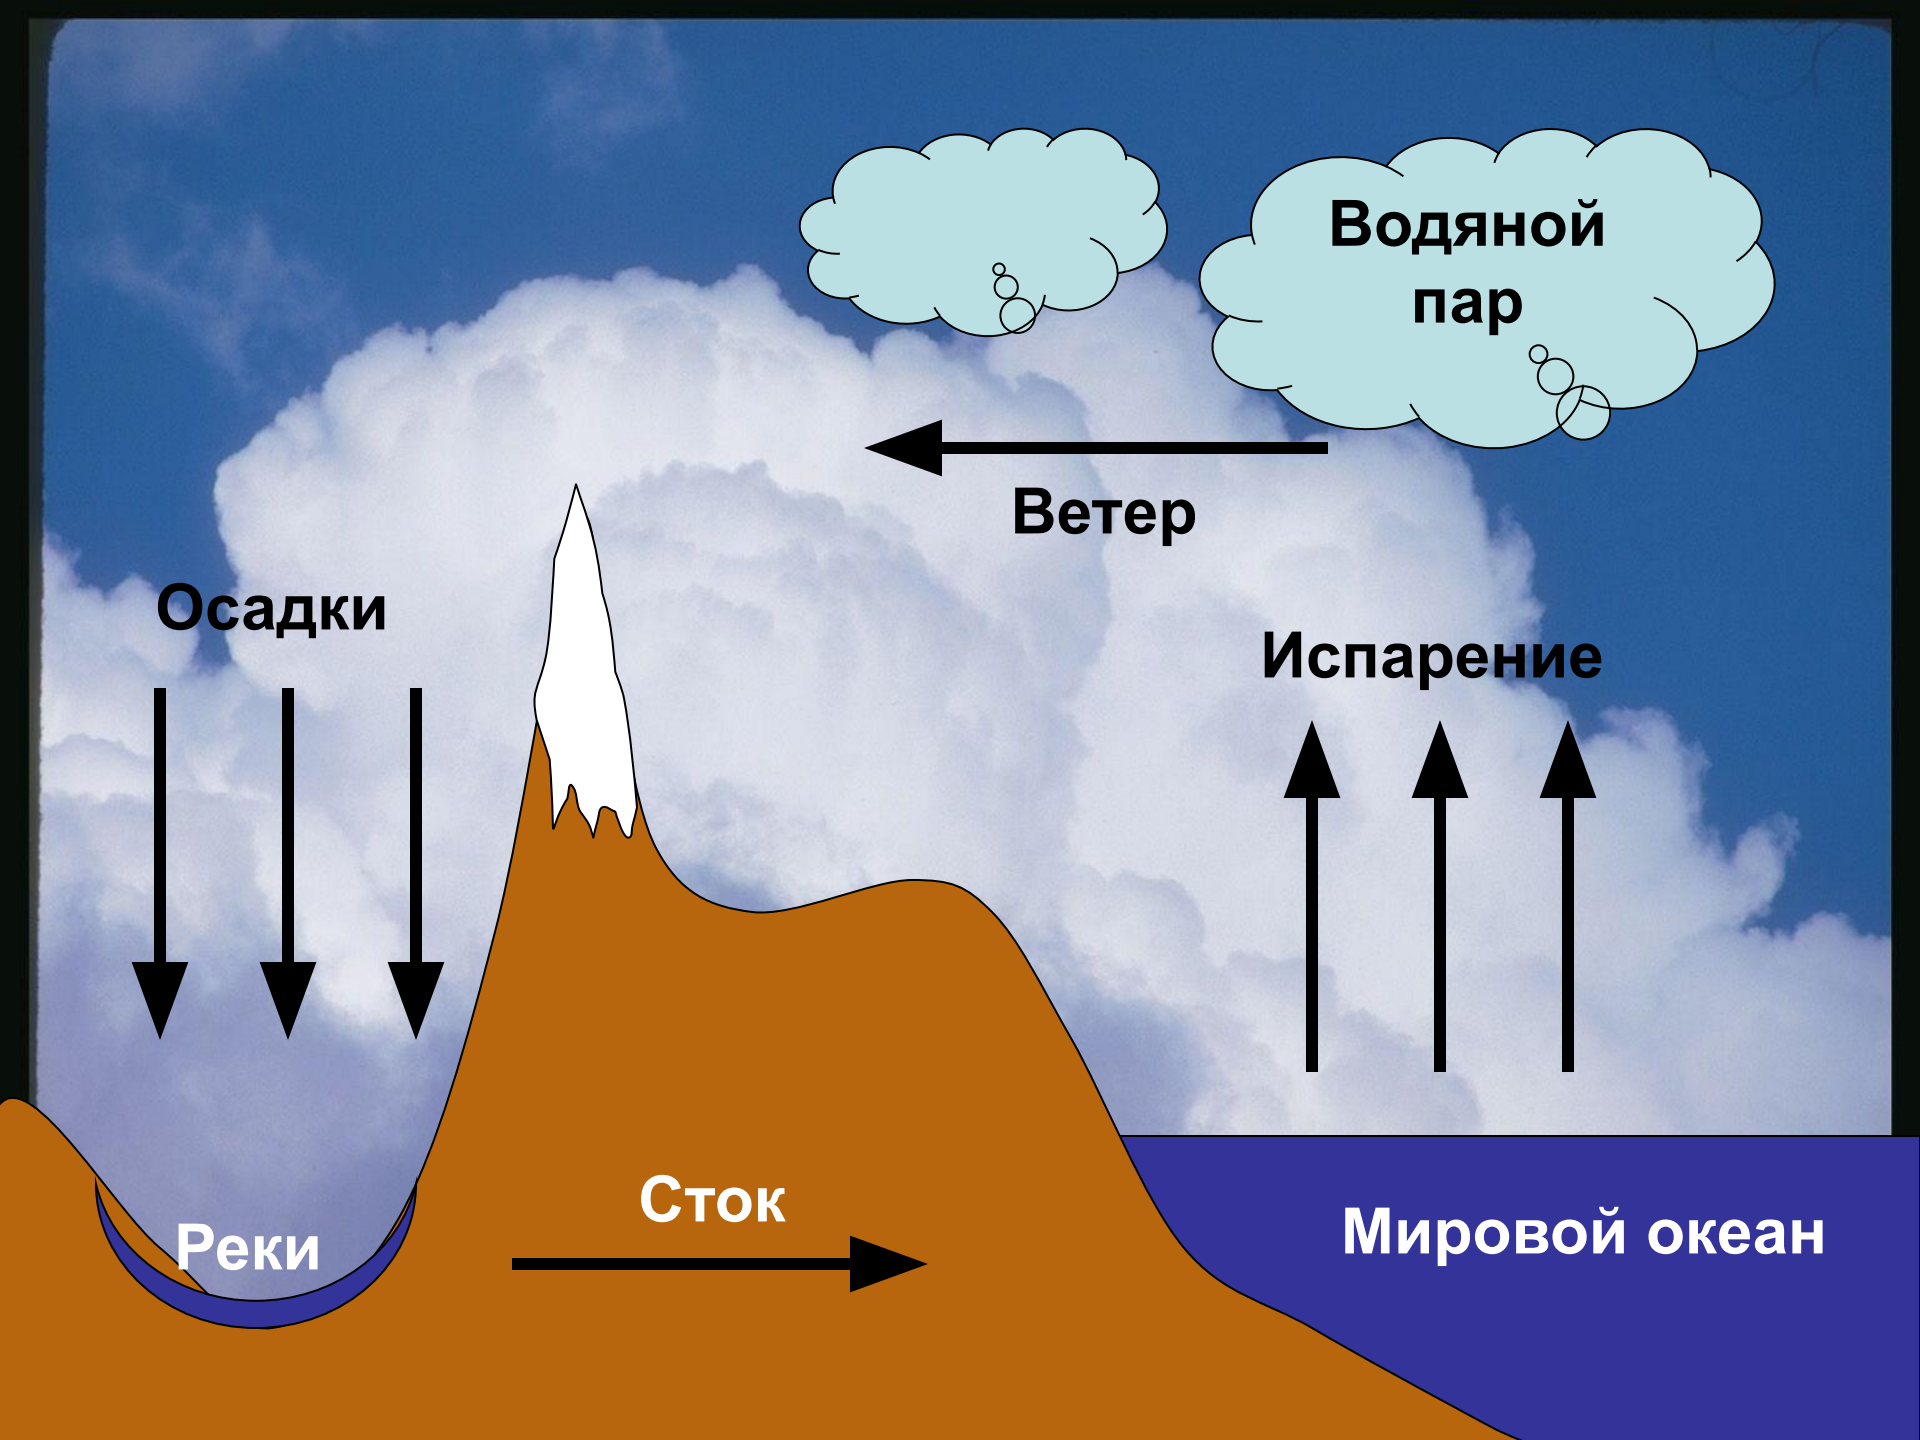

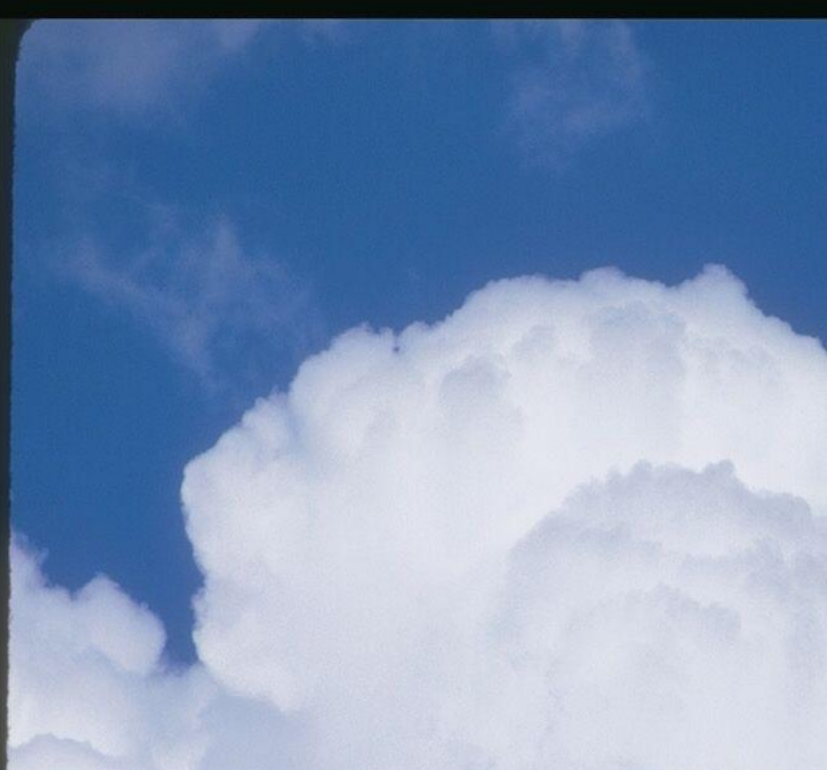

**Взгляни на небосвод –
Повсюду облака плывут,
Послушные ветрам, и
Громоздят они причудливые формы.**
