

MONOLOGUE TOOLS

ANDRONOVA ELIZAVETA

What is a monologue?

**IT IS THE FORM OF SPEECH PRESENTING THE WORDS
OR THOUGHTS OF THE SINGLE CHARACTER, NOT
CANCULATING FOR AN ANSWER.**

Parts of the monologue:

Monologue saying
consists of 3 main parts:

- ❖ Introductory
- ❖ Main part (thesis – arguments, thesis – arguments)
- ❖ Conclusion

Linking words and phrases:

- ❖ FIRSTLY, SECONDLY, THIRDLY, FURTHERMORE, FINALLY
- ❖ TO BEGIN, TO CONCLUDE
- ❖ IN ADDITION, MOREOVER, WHAT IS MORE, BESIDES, ON THE OTHER HAND
- ❖ FOR EXAMPLE, FOR INSTANCE, AS FOLLOWS, IN OTHER WORDS
- ❖ IN BRIEF, SO THAT, TO SUMMARISE, OVERALL, THEREFORE, AS A RESULT...

It's better to remember these rules when you
are talking:

Keep calm and breath deeply
Don't be too shy or too relaxed
Speak briefly, loudly and clearly enough

Then everything will be okey)

IT WAS ALL I WANTED TO SAY!
