# ИСТОРИЯ

История Tumblr начинается с 2007 года.

Идейный вдохновитель проекта - Дэвид Карп, но главный разработчик - Марко Армент.

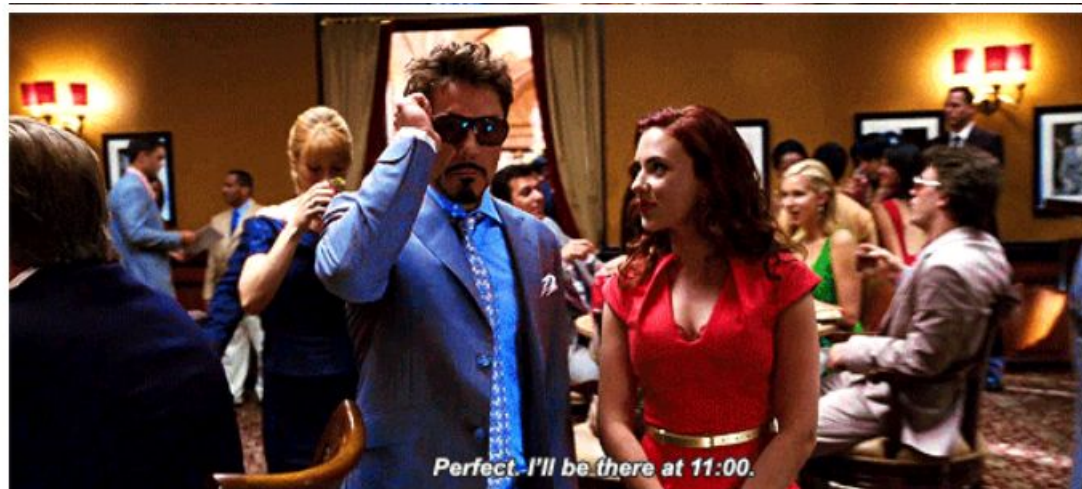

# TUMBLR

# ЛЕНТА

The screenshot displays the Tumblr mobile application interface. At the top, there is a search bar with the text "Поиск в Tumblr" and a navigation bar with icons for home, search, messages, activity, and profile. Below the navigation bar, there are two profile avatars on the left. The main content area features a post from the user "magic-in-every-book". The post includes a row of media creation icons: "Aa" (Text), "Фото" (Photo), "Цитата" (Quote), "Ссылка" (Link), "Чат" (Chat), "Аудио" (Audio), and "Видео" (Video). Below these icons, the post content shows two side-by-side photographs of small black and white puppies. The text "ANY HELP APPRECIATED" is written in red at the bottom of the post. To the right of the main post, there are two sections: "Рекомендуемые блоги" (Recommended blogs) and "Радар" (Radar). The "Рекомендуемые блоги" section lists four blogs: "sssvitlans" (Lana CC Finds), "nemfrog" (nemfrog), "icpe" (DOODLE GOD), and "tomatomagica" (Russia's Greatest Love Machine). The "Радар" section shows a blog named "juniper" (Juniper) with a large image of a smiling Corgi puppy.
