TUMBLR

ЛЕНТА

The image shows a screenshot of the Tumblr mobile application interface. At the top, there is a search bar with the Tumblr logo and the text "Поиск в Tumblr". To the right of the search bar are navigation icons for home, search, messages, notifications, a lightning bolt, a person, and a pencil.

Below the search bar is a row of content creation options: "Aa" (Text), "Фото" (Photo), "Цитата" (Quote), "Ссылка" (Link), "Чат" (Chat), "Аудио" (Audio), and "Видео" (Video). Each option has a corresponding icon.

The main content area displays a post from the user "magic-in-every-book". The post includes two side-by-side photographs of small puppies. The puppy in the left photo is sitting on a blue blanket with white polka dots. The puppy in the right photo is sitting on a light-colored carpet in a room with a television in the background. Below the photos, the text "ANY HELP APPRECIATED" is written in red.

To the right of the main post is a section titled "Рекомендуемые блоги" (Recommended blogs). It lists several blogs with their profile pictures and names: "sssvitlans" (Lana CC Finds), "nemfrog" (nemfrog), "icpe" (DOODLE GOD), and "tomatomagica" (Russia's Greatest Love Machine). Each entry has a plus sign to its right. Below this list is a link that says "Исследовать Tumblr".

Below the recommended blogs is a section titled "Радар" (Radar). It features a profile picture of a dog and the name "juniper" (Juniper), with a plus sign to its right. Below this is a large, close-up photograph of a Corgi puppy's face, looking happy with its mouth open.
