ИСТОРИЯ

История Tumblr начинается с 2007 года.

Идейный вдохновитель проекта - Дэвид Карп, но главный разработчик - Марко Армент.

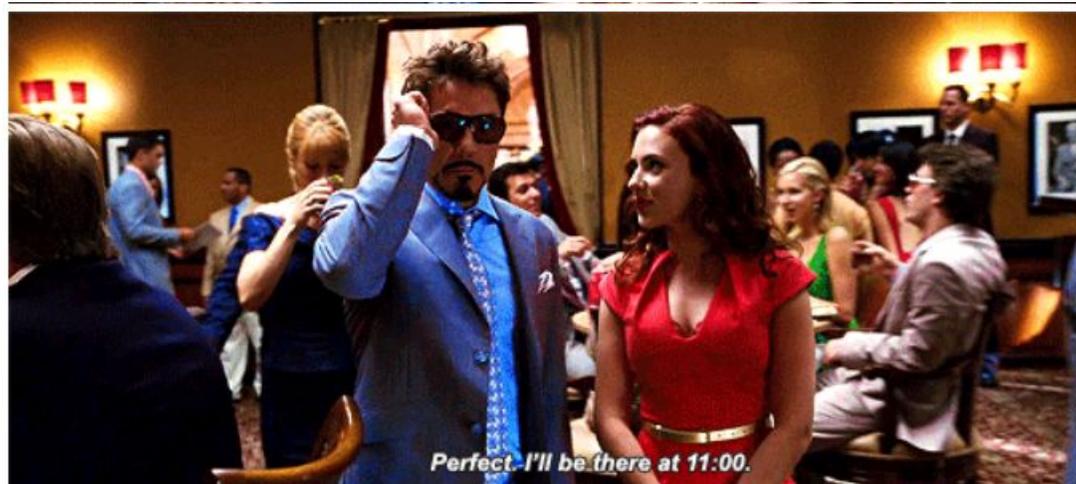

TUMBLR

ЛЕНТА

The image shows a screenshot of the Tumblr mobile application interface. At the top, there is a search bar with the text "Поиск в Tumblr" and a navigation bar with icons for home, search, messages, notifications, and profile. Below the search bar, there are two profile avatars. The first is a woman's face, and the second is a red and white striped flag. Below the avatars, there is a menu with icons for "Текст" (Text), "Фото" (Photo), "Цитата" (Quote), "Ссылка" (Link), "Чат" (Chat), "Аудио" (Audio), and "Видео" (Video). The main content area shows a post from the user "magic-in-every-book". The post contains two side-by-side photographs of small puppies. The first photo shows a puppy lying on a blue and white patterned blanket. The second photo shows a puppy sitting on a light-colored carpet. Below the photos, the text "ANY HELP APPRECIATED" is written in red. To the right of the main content, there is a section titled "Рекомендуемые блоги" (Recommended blogs) which lists several blogs with their avatars and names: "sssvitlans" (Lana CC Finds), "nemfrog" (nemfrog), "icpe" (DOODLE GOD), and "tomatomagica" (Russia's Greatest Love Machine). Below this list is a link "Исследовать Tumblr". At the bottom of the right sidebar, there is a section titled "Радар" (Radar) which shows a blog named "juniper" (Juniper) with a large, close-up photo of a smiling Corgi puppy.
