

# Big Ben

Performed by  
Tishkova Varvara

Hello, my name is Varvara, I am glad to see you.  
I suggest you visit Big Ben.

- It is located on the Victoria Embankment in London Great Britain.

The tower it was founded by the English architect Augustus Pugin.

There is a thirteen ton bell inside the tower.

Many people think Big Ben is the name of the tower, but it is not. Big Ben is the name of the bell inside. Big Ben's official name is the clock tower of Westminster Palace

Big Ben is a symbol of London, so it will be interesting for everyone to visit it.
