Churches in Russia

There are many churches in Russia, why I don't know, but I really think this is useful information.

Russia in 20 years

САНКТ-ПЕТЕРБУРГ ПРИЗНАН САМЫМ ДОБРЫМ ГОРОДОМ РОССИИ

P.S КАРТИНКА ФОТОШОП, В ПИТЕРЕ НЕ БЫВАЕТ СОЛНЦА

City Peter

St. Petersburg metro is the deepest in the world. Its average depth is 100 meters.   There are three times as many bridges in St. Petersburg than in Venice. By the number of canals and bridges, it is more appropriate not to call St. Petersburg Northern Venice, but Venice - Southern St. Petersburg.

Tetris invented in Russia.

The most famous computer game - Tetris - was created by Russian programmer Alexei Pazhitnov in 1985. This game became popular in the Soviet Union, then, in 1986, in the West. Learn to pronounce

Если что то это Тетрис

Да это вертолет ☺

Helicopter golf

A new sport has appeared in Russia - helicopter golf. Two helicopters equipped with 4-meter clubs play with two balls with a diameter of one meter. Each team has five people. One is piloting a helicopter, the second is hitting the ball, the third is coordinating the actions of the first two, two more are in reserve. They replace the one with the stick when he is exhausted.
