

Areas of London

London is the
capital of Great
Britain.

A panoramic view of the London skyline. In the foreground, the white stone spire of St. Martin-in-the-Fields is prominent. Behind it, a dense cluster of modern skyscrapers dominates the mid-ground, including the dark, tiered Leadenhall Building, the blue-glass One Canada Square, and the iconic, bullet-shaped Gherkin. The background shows more distant city buildings under a heavy, grey, overcast sky. The word "City" is written in a white, sans-serif font in the upper right area of the image.
