A photograph of a mountain landscape. The foreground is dominated by a large, textured snowfield with many footprints. A narrow path leads through the snow towards a hiker in the distance. The background shows dark, rocky mountain ridges under a clear blue sky. The sun is bright in the upper left corner, creating a lens flare. A small white bird is visible in flight in the sky.

An aerial photograph showing a glacier tongue flowing over a dark, rocky, and debris-covered slope. The glacier is characterized by numerous longitudinal stripes of dark rock and sediment. In the upper part of the image, a larger, more uniform white glacier body is visible. A small blue lake is situated in a depression on the rocky slope. The text 'Язык ледника' is overlaid in a semi-transparent box at the top, and 'Чехол' is written diagonally on the rocky slope.
