

John Griffith "Jack" London was an American novelist, journalist, and social activist. A pioneer in the then-burgeoning world of commercial magazine fiction, he was one of the first fiction writers to obtain worldwide celebrity and a large fortune from his fiction alone.

Jack London – was extraordinary person, he think that better burn out than feed away. As he said «I would rather be a superb meteor, every atom of me in magnificent glow, than a sleepy and permanent planet.»

- Краще жить на світі щасливим мужиком, ніж нещасним паном...
- Better to live as happy peasant than unhappy nobleman

- Всякому чоловікові назначено, що робить, з чого хліб їсти і що йому мать!
- Everybody assigned what to do, what to eat and what sit on!
