U.S. CONSULATE & EMBASSY

THE VISA INTERVIEW:

The last and the most important process of your visa application, in which a consular officer will ask you questions about your travel plans and the purpose of your trip. Knowing what types of questions will be asked and what to expect throughout the process can set you up for success.

Example: Ongoing studies, work, your assets, family/children, your own business etc.

1. That you are able to afford this travel. Bank statement with sufficient amount of money.
2. That you have a clear plan of your trip: Booked hotels, booked plane tickets to travel between the states/cities.
