

CAR CLEANER 500 ML

► *Which actions ?*

Car Cleaner cleans all body types and bumpers: auto and motorcycle and, in addition, respects the surfaces.

► *Instructions for use*

Apply to a cool body, away from the sun. Wet body thoroughly with clean water. Shake the bottle. Exert two pressures on the bottle in 5L of lukewarm water. Wash the body with a sponge, starting at the top. Rinse thoroughly with clean water. For best results, dry the vehicle with a microfiber.
