This festival is very young. It have been taking place since 2010. Festival has two parts.

First part

- It is the most interesting and exciting part. First of all, people float on unusual boats. The Rules is very easy – you should have a original boat and good mood.

- After that, people can see championship for Hawaii surfing and race on surfboard. Before race you can have free lesson surfing. Of cause, after first lesson you don't win this championship, but it isn't impotent. If you is happy, you win.

- The end
