

Winter

A close-up photograph of snow-covered sand dunes. The sand is a warm, golden-brown color, and the snow is a soft, white. The dunes are rolling and undulating, with shadows cast by the low sun. The word "Snow" is written in a large, white, cursive font across the center of the image.

Snow

The image features a monochromatic blue background with a detailed, close-up texture of a snow-covered evergreen tree. The branches are heavily laden with snow, creating a complex, feathery pattern. Overlaid on this background is the word "Freeze" in a large, white, elegant script font. The letters are thick and have a slight shadow, making them stand out against the busy, textured background. The overall composition is centered and evokes a cold, wintry atmosphere.

The background is a dark blue gradient. There are three large, intricate, glowing blue snowflakes. One is in the top left, one in the top right, and a larger one in the bottom right. The text is centered in the upper half of the image.

# Winter Riddle

When you look out, you see it, but  
when you see it, you can't look  
out. What is it?

Frost on the window

# Winter songs

I'm a little  
snowman short  
and fat

Here is my tummy,  
Five buttons on my back  
out of snow  
When the sun  
comes out I and a  
big red bow  
cannot play  
Out came the sun and  
I just slowly melt  
away.

One little snowman

*Snowflake* - Pinch your  
index finger and  
thumb together, then  
move your hand down  
slowly like a falling  
snowflake.

Alternatively, use  
paper snowflakes.

*Little* - Indicate  
something very small  
by holding your index  
finger and thumb  
close together
