Volcanoes

Fishing

Black sand

Valley of Geysers

An aerial photograph of a volcanic landscape. In the foreground, a large, vibrant blue lake with a white sandy beach curves along a lush green forested hillside. In the background, a large, dark volcano with patches of snow on its slopes rises under a sky filled with white and grey clouds. Other smaller mountains with snow are visible in the distance.

Kuril Lake

An aerial photograph of a rugged coastline. On the left, a steep, rocky cliff is topped with vibrant green grass. The cliff face meets the dark blue sea, with white foam from breaking waves visible at the base. Several large, dark rock formations protrude from the water along the shoreline. In the distance, the coastline continues with more green hills and cliffs, partially shrouded in a thick layer of white mist or low-hanging clouds. The sky is a deep, overcast blue-grey. The overall mood is dramatic and wild.
