Let's watch a cartoon.

A 3D-rendered computer monitor with a black frame and stand, positioned on an orange surface against a blue background. The monitor's screen is a solid cyan color, and the word "REVIEW" is centered on it in a large, bold, black, sans-serif font. The monitor has a few small, circular indicator lights visible on the bottom right bezel.

Show and guess.

let's play

Three blue stick figures are interacting with the text 'let's play'. One figure is running on top of the 'y'. Another figure is hanging from the bottom of the 'p'. A third figure is climbing the 'y' and has a checkmark next to it.
