ЗАКАТ

A total solar eclipse is shown against a black background. The sun's corona is visible as a bright, glowing white and yellow ring around the dark silhouette of the moon. The Russian word 'ЗАТМЕНИЕ' (Eclipse) is written in a large, bold, orange-red serif font across the center of the image, partially overlapping the sun's disk.

ЗАТМЕНИЕ

НА ЛУНЕ

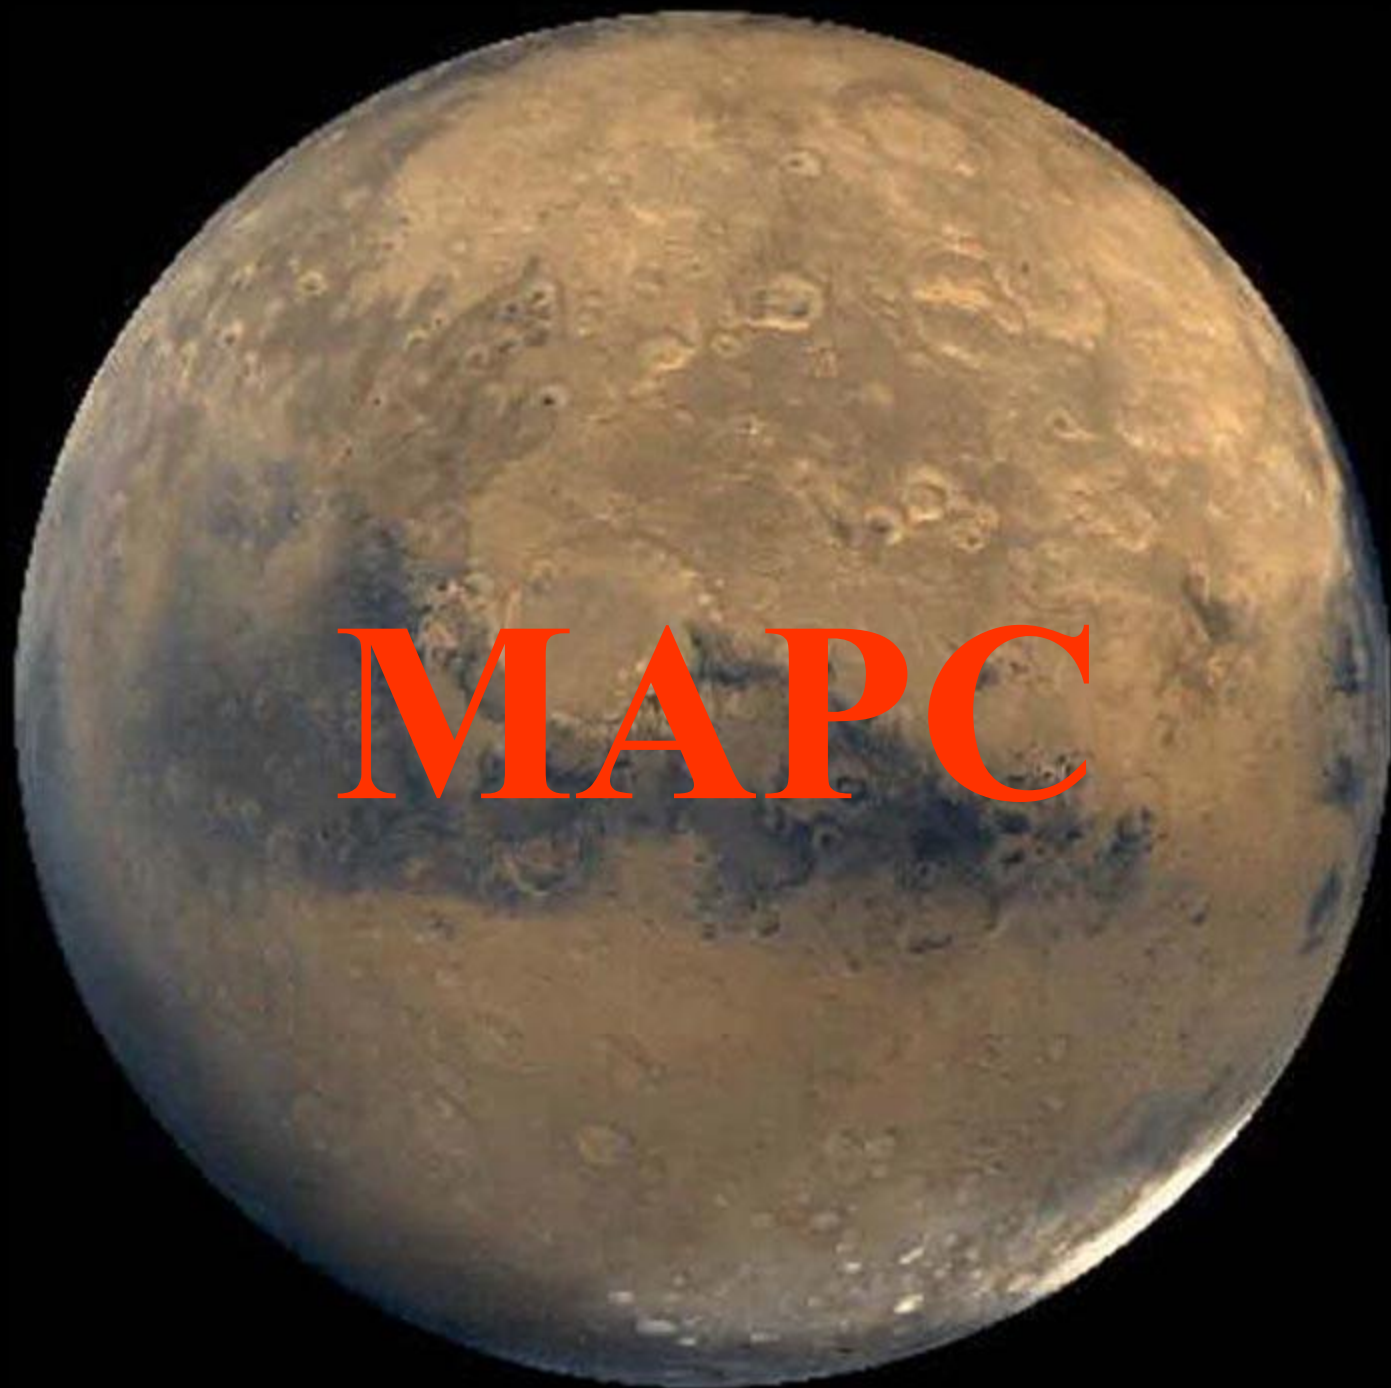

ЗЕМЛЯ

A deep space photograph showing a vast field of stars against a dark, textured blue background. A prominent, bright blue-white star with a four-pointed diffraction pattern is located in the upper left quadrant. The word 'ЗВЕЗДЫ' is written in a large, bold, red serif font across the center of the image.

ЗВЕЗДЫ

ВЕНЕРА

A large, detailed image of the planet Jupiter, showing its characteristic orange and white horizontal bands and the Great Red Spot. The planet is centered in the frame against a black background. The word "ЮПИТЕР" is written in large, bold, orange-red Cyrillic letters across the middle of the planet. There are a few small, distant stars visible in the background.
