

SHANXI, CHINA CITY BUILT IN THE MOUNTAINS OF SHAN

This is amazing
and we have to wonder how,
why and when did they do this.
From where & how do they get
water...power...sewer....?
How did they build all this??

And why, way, "up there"!!

My best guess is that this is a Buddhist Monastery -
They are noted for building in the most extreme,
inaccessible, but scenically speaking, some of the most
beautiful places there is.
