chorus:

Got no **self-control**
And I don't mean cigarettes and alcohol
'Cause **when it comes to** you

I can't say no
I don't wanna taste, I want it all

When I get your call
I'm out the door, **not a minute more**
Like an animal
I lose control, it's **illogical**
Oh, oh

One little kiss can **turn into** a thousand
One little touch and I'm gone

chorus x2

I'm so **predictable**
Fall every time, ain't it **pitiful**
And it's not enough
I tried to **quit**
But I'm **giving up**

One little kiss can turn into a thousand
One little touch and I'm gone

chorus x2

And the hunger grows
I'm **craving** you and my body knows
'Cause it wakes me up
Heart through my chest, it's gotta be
love

One little kiss can turn into a thousand
One little touch and I'm gone

chorus x2
