

Business lunch

Americans use having meals for discussing problems with business partners. They invite them by phoning and speak about business news during the lunch.

Business lunch in the USA includes salads, soup, the main course and beverages.

In the USA the business – lunch is expensive.

In Russia it costs 300– 400 rubles and looks like a dinner in the canteen.

In Russia business – lunch consists of salads, soup, the main course and beverages too.
